600x1200mm | Glossy Surface

www.reycera.com

As a company we work in the present, taking into account the past for an essentially unknown future

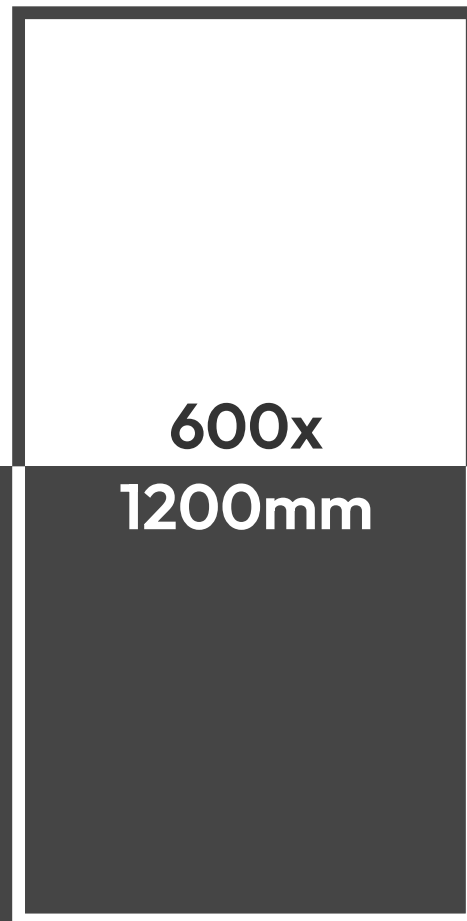

Rey Cera, a company founded in 1990, has been manufacturing and selling integral porcelain tiles for all kinds of flooring and wall tiling solutions.

The manufacturing plant and main offices in Morbi, Gujarat IN, and the Worldwide logistics warehouses, make it possible to supply and deliver all the items in customers' orders. Through its national and international distribution network, Rey Cera exports tiles to more than 85 countries in all five continents.

As a result of our commitment to quality, all of our products comply with the guidelines of the ISO 9001:2000 standard, which guarantees that our research, development and commercializations are carried out with the maximum guarantees

Size & Finish

The Rey's 600x1200 series was inspired by natural stones, in its typical fine split finish; thanks to modern production technology, all the appeal of this sedimentary rock is reproduced in a highly natural way on the surface of latest-generation porcelain stoneware. The charm of natural stone, the Precision of fine veining effects, the Realistic nuances of colour, the intense Harmony of the shades, all expressed In an exclusive collection of fine-quality Marbles.
