

A photograph of a modern dining room. The walls and floor are covered in large, white marble tiles with gold and brown veining. A wooden dining table with black legs is surrounded by black leather chairs. A modern chandelier hangs from the ceiling. On the left, there are three small potted plants on tall, thin stands.

Inspired tiles by the stones

Memorable Look

manufacturing and selling integral porcelain tiles for all kinds of flooring and wall tiling solutions.

The manufacturing plant and main offices in Morbi, Gujarat IN, and the Worldwide logistics warehouses, make it possible to supply and deliver all the items in customers' orders. Through its national and international distribution network, Rey Cera exports tiles to more than 85 countries in all five continents.

As a result of our commitment to quality, all of our products comply with the guidelines of the ISO 9001:2000 standard, which guarantees that our research, development and commercializations are carried out with the maximum guarantees.

QUALITY AND TECHNOLOGY

Gloosy Tiles solutions with a thickness of 9 mm are an expression of the most innovative production technologies applied to the sector of ceramic tiling. It's reduced thickness maintains its extraordinary resistance, hygiene and maintenance of the material intact with products that weight less and are easier to handle and lay in making walls and floors, both in new builds and renovations.

TECHNICAL FEATURES

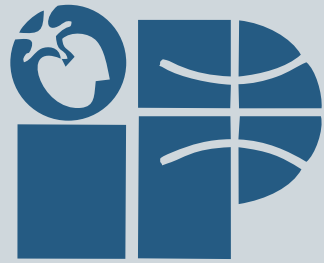

A STONEWARE
THAT GROWS
TO SUIT
YOUR NEEDS

Shifting the focus from minimalism to mighty force of geology makes for an interior design trend guaranteed to get heads turning. Dramatic interior is a trend with an essentially neoclassical influence, inspiring spaces with natural marble and stone effects. Stone hewn from the world's most prestigious quarries are the origins of this trend, characterised by marble effect designs featuring sophisticated patterns and bright and beautiful colours.
